DOLLAR®

- ✓ **Dollar** (also known as ***Dollar Industries***) is a well-known stationery brand from **Pakistan**, offering a wide range of pencils trusted by schools, offices, and families.
- ✓ Dollar pencils feature specially **formulated, break-resistant** lead combined with **premium-quality wood**. This makes **writing** and **sharpening smooth** and **durable**.
- ✓ Many models (***like My Pencil PH-456 or PT-222 My Pencil WOW***) use an ergonomic triangular shape that fits comfortably in the hand and improves grip—for both children and adults.
- ✓ **Dollar** also offers vibrant colored pencils, including dual-end pencils (two colors in one), providing creative flexibility and fun for both kids and artists. These are also non-toxic and safe.

Feature	Why It's Great
Break-resistant lead & smooth wood Rs 1,999	Long-lasting, easy to sharpen, no breakage
Ergonomic triangular design Rs 1,080	Comfortable to hold and write with, especially for kids
Creative dual-end color pencils Rs 1,109	Two colors per pencil = more fun, less clutter
