

- ✓ **ORO** is a **Pakistani** stationery brand known for producing a wide variety of **high-quality** pencils, suitable for **school**, **office**, and **creative use**.
- ✓ Many **ORO** pencils, like the **Trimetal** and **Tri-Way** models, are designed with **comfortable**, **child-friendly** gripped shapes that help improve motor skills and make **writing** easier.

- ✓ These **pencils** are made from **rainforest-safe** and **toxicity-free** materials, ensuring **environmental** responsibility and safe use by children.
- ✓ ORO offers colored pencil sets like the **Coloroid** line in 12-, 24-, or 36-color packs. They feature **anti-breaking coating, smooth, vivid cores**, and pre-sharpened tips, making them ideal for coloring, blending, and creative art.
