WATERMAN
PARIS

⇒ Waterman is a **luxury pen & ink brand** originally founded in 1884 in New York by Lewis E. Waterman. Now based in France.

⇒ It is one of the older and **trusted names** in fountain pens and inks. The inks are designed to flow well in **fountain pens**, giving a **smooth**, consistent line.

⇒ They offer a nice range of colours like **Black, "Inspired Blue", "Serenity Blue", "Mysterious Blue", "Harmonious Green", "Audacious Red", "Tender Purple",** etc.

⇒ ***Everyday & Special Use*:-**

- They are good for daily writing, journaling, letters, etc.
- Some users like certain colours for their special shading or tone.
- In comparison, Waterman inks are not very waterproof—they clean well, which is good for pens and maintenance.
